YOUTH & FAMILY
SERVICES

About EASY Guide

This document was designed for the use of NSW Department of Education & Communities welfare staff and school principals. It has been a Partnership between DET, YES Youth & Family Services, PCYC, Albury Wodonga Community College and Riverina TAFE and facilitated by MICEEP.

Its purpose is to provide a quick reference guide for staff to assist students who are experiencing difficulties, by making contact with relevant service providers in the region covering education, family, health, training and employment connections.

By improving access to service providers for schools, it is anticipated that quick responses to students needs will assist educational outcomes for young people by engaging and supporting youth within the NSW18 Central Murray – Albury region.

This is a 'living document', therefore we would appreciate any feedback, corrections or updates; along with your ideas on how it may be improved.

Please send your updated information to:

Acknowledgements

We would like to acknowledge the service providers in the Albury and Wodonga region who supplied information about their organisations and services that they provide.

We would also like to acknowledge Nathan Honeyman (Home School Liaison Officer) NSW Department of Education & Communities and Phil Thorneycroft of MICEEP.

To the best of our ability the information has been gathered with our best intent with accuracy in mind.
